THE CCT DIFFERENCE

CCT (Commercial Carpet Tile) is the ultimate solution for high-performance flooring in commercial environments. Made in the USA and solution-dyed for lasting beauty, CCT tiles combine timeless style with cutting-edge durability. From executive suites to bustling retail spaces, CCT adapts effortlessly to any setting, offering unmatched sophistication and resilience. Designed for heavy traffic and minimal maintenance, it remains pristine in the most demanding environments. When you choose CCT, you're investing in a flooring solution that excels in both form and function.
